Keagan Gonsalves

Test Automation Engineer @ Tandem Bank | MSc. Software Engineering | ISTQB CTFL Certified | Driving Quality & Efficiency through Automated Testing
United Kingdom

Summary

I am an experienced QA automation engineer based in the United Kingdom with a diverse skill set encompassing MySQL, Java, and Behaviour-Driven Development (BDD). My proficiency extends to Kotlin, C#, Cucumber, and QTP, allowing me to excel in test automation framework development and implementation. I hold a Master of Science (M.Sc.) in Software Engineering from the University of Hertfordshire, underlining my commitment to continuous learning and professional growth.
